

## TECHNICAL DATA SHEET

**Thank you for purchasing our acrylic product.**

**This item is fabricated from clear acrylic for maximum protection from beta emitting isotopes such as <sup>32</sup>P. This product is easily maintained and cleaned by following these instructions:**

- **Acrylic is strong but it can crack or shatter if struck against a hard surface.**
- **Clean with a mild solution of soap or detergent. Do not use abrasive cleaners or brushes that may scratch the surface.**
- **Do not use acid cleaning solutions or organic solvents including alcohols.**
- **Do not expose to temperatures above 55°C.**
- **Do not store under ultraviolet light.**
